On 12/14/71, Officer [redacted] Homewood, Illinois PD, advised SAs THOMAS PARRISH and [redacted] he has received information indicating that [redacted] whom he described as a known automobile thief from Chicago, and JAMES COLI, whom he described as a former "hit man" and now heads up a car hiker's union, have taken over the public parking at Washington Park and Arlington Park Race Tracks. b6 b7C

It is the belief of Officer [redacted] these individuals are probably skimming funds from the receipts from the parking lot concessions at both parks and are also probably stealing automobiles of customers, while the customers are at the tracks.

According to Officer [redacted] the parking lot concessions at the two race tracks were formerly operated by local citizens as employees. b6 b7C

Since the take-over by [redacted] and COLI, all the local employees have been relieved of their jobs and nearly all of the car hikers and employees are out of Chicago and are of Italian extraction. COLI also reportedly has a son employed at the parks.

According to Officer [redacted] both parks are under the supervision of [redacted] and an (FNU) [redacted] (ph), whom [redacted] has heard is a former Special Agent of the FBI. According to [redacted] went to [redacted] about the infiltration of the parking facilities by [redacted] and COLI and [redacted] was told by [redacted] "keep off". b6 b7C

[redacted] reportedly has a son, name unknown, who is also employed at the track.

According to [redacted] this take-over began after [redacted] took over ownership of these tracks.

[redacted] furnished the following information concerning organized labor and COLI to SA [redacted]:

Informant advised that in years past it has been the practice of the Chicago Crime Syndicate to use certain of the unions under their control such as Local 46 of the Laundry, Cleaning, and Dye House Workers Union, Local 593 of the Hotel-Motel Service Workers Union, Local 110, the Moving Picture Operator's Union, and Local 1 the Laborer's International Union of North America and Local 727 the Auto Livery, Chauffeurs and Embalmers Union of the International Brotherhood of Teamsters in a situation wherein these unions are represented by them on a nuisance basis. Then the labor lawyer working with the syndicate such as [redacted] would make contact with the employer and make it known surreptitiously that should the employer desires to make an under the table payoff to the lawyer the strike could be settled with a minimum of difficulty. Informant advised that this payoff would then be given to [redacted] or whatever labor lawyer was handling the situation and then funnel it to the syndicate. Informant advised that in years past this was a highly relucrative way of doing business for organized crime. However, in recent months this situation has deteriorated to the extent that it is very uncommon in labor circles today thereby causing a serious curtailment of income to organized crime. Informant advised that probably the two foremost labor leaders in Chicago at the present time who are under the influence of organized crime are JOHN LARDINO and ECO COLI of the Teamsters Union Local 727.
